Source of Income	Amount Received

Students Name and Soc. Sec. # (printed): _____

Parent(s) Signature: _____ **Date:** _____

CASH SUPPORT

The student reports any cash support s/he has received, except that a dependent student doesn't report support received from his parents. The student also must report any money paid to someone else on his behalf.

If a friend or relative gives the student grocery money, it's reported as untaxed income. If the friend or relative pays the student's electric bill or part of his rent, he must report those payments as untaxed income as well.
